

DIGITAL PROJECT MANAGER & KEY ACCOUNT MANAGER

100%

Zense is a Zurich-based consultancy, whose daily bread is handling complex content of all kinds – all in the service of creating meaningful, sensual, and... slightly insane stuff. Our services include explanatory products (animations, infographics, interactive websites), gamification solutions, science communication and change mobilisations for large companies.

From January 2022, we are looking for a Project Manager / Consultant / Conceptual Designer to manage digital projects such as games, websites and interactive platforms. As a well-trained, experienced and competent personality, you will also be in charge of some of our key accounts.

YOUR RESPONSIBILITIES:

- acquisition, support and consulting of customers from various industries, incl. key accounts
- project management with a focus on digital projects
- budget responsibility
- writing, structuring, processing, and editing all kinds of content
- support in business development and process optimisation

WHAT YOU BRING TO THE PROVERBIAL TABLE:

- a solid university degree, ideally (but not necessarily) with a focus on economics and/or computer science
- prior experience in consulting or with an agency
- structured yet creative thinking
- enthusiasm, energy, team spirit, and a sense of humour
- fluency in German and professional proficiency in English
- a passion for storytelling in all its forms (visual arts, movies, pop culture)

WHAT WE BRING TO SAID TABLE:

- creative, curious, fun, and playful work colleagues
- the chance to work in an interdisciplinary team – and in an equally interdisciplinary field
- tasks that challenge both your analytical and your creative thinking
- a crash course in storytelling, visualisation, gamification and film production

Does this sound tailor-made for you? Then drop whatever it is you were doing and send us your CV and a brief but all-the-more-riveting cover letter. Contact us via jobs@zense.ch.
